

Donate for cataract operation

We at **Jeevan Jyoti Sewa Sanstha** support eye camps staffed with skilled doctors who willingly give their time and consultation, to help those in need. Jeevan Jyoti Sewa Sanstha operated on Savita Devi to restore her vision.

A little help from you can help restore the sight of not only Savita Devi, but many more like her. As a little as Rs 1500/- from you can change the lives of three disadvantaged elders and help them see world better.

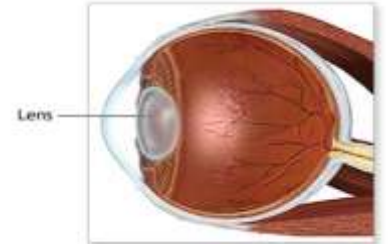

- 1- The pre-operation tests
- 2- Transportation from point of residence to hospital
- 3- Provide food and shelter during the course of hospital stay
- 4- Medicines for 1 month
- 5- Cost of inter-ocular lens
- 6- Post operative eye shield

Last year with your help, we enabled better vision to 19085 elderly. We successfully operated their cataract free of cost.
