

RESTORE VISION, TRANSFORM LIVES

Bringing Light to Those in Darkness

Imagine waking up every morning trapped in darkness, unable to see the faces of your loved ones or navigate the world around you. **For thousands of underprivileged individuals, cataracts steal their independence and dignity. But together, we can change that.** Jeevan Jyoti Sewa Sanstha is on a mission since last 19 years to bring back the light—organizing a **Free Cataract Surgery Camp** to restore sight and renew hope for those who need it most.

Who Needs Our Help?

- Elderly individuals suffering from cataracts
- Economically disadvantaged patients with no access to eye care
- Those at risk of permanent blindness due to untreated cataracts

Last Year's Impact— A Visionary Success!

Thanks to your unwavering support, **Jeevan Jyoti Sewa Sanstha** restored the vision of **5,000+ elders** last year—bringing back their joy, dignity, and independence.

This year, **we aim to surpass this milestone**, ensuring that even more individuals like **Sunita Rani** can see the world clearly again.

Every surgery was performed completely free of cost—made possible only through the kindness of people like you.

Your donation covers:

- Medical tests, surgery, and an intraocular lens
- Transportation, meals, and accommodation
- post-op medicines and protective eye care

*Let us **come together** and illuminate lives—because the **gift of vision** is the greatest gift of all.*
